## **ARTICLE II** **Union Security**

- a. Within thirty (30) calendar days of initial hire of any Employee covered by this Agreement, Employer shall notify the Union of the name, address, social security number, date of hire, classification, dates of employment and gross wages earned by each Employee on an ongoing basis. Any Employee who is engaged by the Employer within the above-described bargaining Unit for a cumulative (may be non-consecutive) total of thirty (30) actual workdays within any two consecutive calendar years is required, as a condition of continued employment, to register with the Union as required by Local 414. Any Employee who fails to comply with the above obligations within two weeks after have received an appropriate written notice of delinquency from the Union (with copy to the Employer) shall be deemed ineligible for any future engagements by the Employer. Written notice of such ineligibility shall be given by the Union to the Employer, with a copy to the employee.
- b. Referral Fee Check-Off and Withholding: Employer agrees to deduct Union Referral Fee(s) from all wages earned by Employees covered by this Agreement who execute a valid Referral Fee Check-off/Deduction authorization. The Union shall notify the Employer of the amount to be withheld from the Employee's wages and will maintain a signed Referral Fee Check-off/Deduction authorization form for each Employee. The Union will provide a copy of such executed authorizations to the Employer effective with the start date of this Agreement, and thereafter on an annual basis. The Union will also submit to the Employer, on an ongoing basis, a list of all Employees who have chosen to withdraw the authorization of said check-off forms. Employer reserves the right to cease the deduction for Union Referral Fee(s) from any Employee from whom it receives a signed form withdrawing his or her authorization so long as the Employer notifies the designated Representative of the appropriate Union Local that it has received such notice. Union agrees to hold the Employer harmless for the authorized deduction of any Referral Fee(s). Notices of Authorizations or Withdrawals of Authorizations must be received by the Employer one week prior to the end of the pay period for which dues are withheld from an employee's wages.
- c. The foregoing obligations are to be interpreted and applied consistent with applicable law. The IATSE shall indemnify and hold Employer harmless against any claims or liability arising from Employer's compliance with any IATSE request to terminate an employee pursuant to Section of this Article (II) and/or deduct and convey referral Fees in Section b. of this Article, *above*.

## **ARTICLE III**

### **Sub-Contracting**

**a.** Employer shall not subcontract with third parties for the performance of work within the scope of this Agreement unless the Employer determines that insufficient qualified freelancers are available in the market and/or special skills or equipment is needed and cannot be supplied by the Union. Employer reserves the right to contract with another business entity / individual only insofar as there exists a valid collective bargaining agreement between that entity/individual and the IATSE, applicable to the work by such business entity / individual.

1. Before subcontracting, the Employer shall give notice to the Union of such necessity and shall provide an opportunity to discuss any subcontracting situation before implementation, unless the Employer's needs are immediate for an upcoming event.
2. The Employer shall inform the Union of subcontracting needs at least thirty (30) days before implementation or as soon as practicable if crew changes requiring subcontracting are to be made with less than thirty (30) days' notice. In all cases the Employer shall inform the Union of any subcontracting in a timely fashion.

**b.** The requirements of this Article (III) are not applicable to subcontracting caused by equipment limitations.

### **ARTICLE IV** **Management Rights**

The Union recognizes the Employer's inherent and traditional right to manage its business, to direct the work force and to establish and modify the terms and conditions of the employee's employment, except as such right is expressly limited by specific provisions of this Agreement. The exercise of these management rights is vested exclusively with the Employer. All matters not specifically and expressly controlled by language of this Agreement may be administered for its duration by the Employer in accordance with such policy or procedure as the Employer from time to time may determine.

Specifically, and without limiting the generality of the foregoing, the Employer has the sole exclusive right:

- To hire, suspend, transfer, promote, demote and discipline employees and to maintain and improve their discipline and efficiency;
- To lay-off, terminate, or otherwise relieve employees from duty;
- To eliminate, change, or consolidate jobs;
- To install new jobs;
- To direct the methods and process of doing work and to introduce new and improved work methods or equipment;
- To determine the location where work is to be performed;
- To determine the starting and quitting times, the time for lunch and rest breaks, the number of hours to be worked; *and*
- To make and modify rules and regulations that the Employer deems necessary for the conduct of its business and to require their observance.

Additionally, Employer has the sole exclusive right to cease any or all operations or services performed by employees covered under this Agreement.

**ARTICLE V**  
**Hiring and Hiring Practices**

a. **The Referral List:** The Union will maintain and provide the Employer a Referral List of qualified individuals identifying each work location within Wisconsin (e.g. Milwaukee, Madison and Green Bay which further describes the geographic area in which the individual is declaring themselves as a local hire) as well as the positions for which each is qualified. Inclusion of an individual on the Referral List constitutes a representation by the Union that it has examined the experience and qualifications of that individual and has determined that the person is qualified to perform the jobs indicated. The Union will accept to the Referral List all qualified employees of the Employer without discrimination of any kind and regardless of Union membership; however any individual who fails to meet the registration requirement, per Article II.a. of this Agreement, shall not be eligible for the Referral List. The Referral List shall be sent quarterly to Employer and any revisions thereto shall only apply to future, unstaffed events. If the Union maintains an active (continually updated) Referral List *via* its website, the parties will coordinate a best practice for review of and use of same.

b. **Preference of Employment:** To the extent that the Employer is in need of qualified persons to perform work covered by this Agreement, it will give preference of employment, provided qualifications as determined by the Employer are acceptable, to employees currently referred for work by the Union (*via* the Referral List(s) as further described in (a), above) so long as a qualified person is available. The Union agrees that the Employer is not obligated to recognize seniority when hiring from the Referral List.

c. The Union agrees that it is and will continue to be an open Union and that it will keep its membership rolls open and will offer membership to all eligible employees engaged by the Employer.

**d. Irregularities and Exceptions:**

1. The Employer may hire any person for one (1) workday outside of the Referral List, but such person must be referred to the Union for evaluation to be included on the Referral List if their performance was deemed acceptable by the Employer.
  - i. Employer shall be limited to an aggregate total of ten (10) days of non-Referral List of hire per year.
  - ii. Employees from other jurisdiction(s) hired and traveled by Employer to the jurisdiction covered by this Agreement shall not count towards the aggregate ten (10) days of non-Referral List hire, *immediately above*.
  - iii. During the term of this Agreement, an additional five (5) non-Referral List hires, are allowable for the Green Bay market area, only.
2. Employer provided experienced personnel shall staff all positions that are requested/required by its client(s) unless training arrangements are made in advance, consistent with Article XVIII.b., of this Agreement, *below*.
3. If Employer has engaged and confirmed dates of work for an individual who subsequently becomes ineligible for Referral, per Article II.a. of this Agreement, all actual work dates for such individual beyond the end of the next complete pay period after Employer receives written notice of his/her ineligibility *shall* count towards the aggregate ten (10) days of non-referral hire permitted per year.

e. **The Hire List:** The Employer shall maintain their own Hire List(s) based on fair and equitable criteria applied uniformly to each person on the Referral List. The Union recognizes and understands Employer may make hiring decisions based as well on client feedback/request(s), and Employer agrees to convey to the local's Business Representative the nature of such feedback/request(s). The Employer and the Union agree that qualified, experienced personnel, as determined by the Employer, shall staff all positions unless training arrangements have been made in advance.

f. **Employee Cancellations:** If an employee has been offered an event to work and the employee confirms such assignment, the employee may not cancel unless a replacement satisfactory to the Employer has been found. The Employer shall assist the employee by providing names and phone numbers of other workers that would be acceptable replacements, but it is the responsibility of the employee to find the replacement. Criteria for such "satisfactory replacement" shall consist of an individual:

1. being on referral list in the specific craft;
2. having previously worked for the client in that position without issue; *and*
3. confirmation that the replacement employee is available and willing to work.

Employee will not accept bookings with Employer if the employee has or is aware of a prior scheduling conflict.

Employee will give notice of replacement to Employer at the earliest reasonable opportunity. If Employer deems the identified replacement to be unsatisfactory, Employer must respond to the employee within forty-eight (48) hours of such notice, or, where notice of replacement is received after Employer's business hours, Employer shall have until the end of the second business day to respond. On timely response by Employer,

- the original employee will be responsible for the committed shift and may continue to seek a suitable replacement or resolve himself/herself to work the committed shift; *or*
- Employer may release original employee from the booking and hire from outside the referral list, in which case such non-referral hire will not count as one of Employers referral list exceptions detailed in Section h. of this Article, *below*.

If Employer does not respond to employee within forty-eight (48) hours or the end of the second business day, the identified replacement is considered to be suitable and employee is released. If the Employer agrees to accept responsibility for a substitution, no further action is needed on behalf of the employee.

This Section (f.) shall not apply to cancellations due to medical or other emergencies. The Union agrees that if an employee cancels for medical reason or other emergency, it will assist the Employer in obtaining proper verification from the employee.

g. The parties shall meet at least bi-annually to discuss any crewing concerns that may arise. A designated representative of the IATSE and a Company representative responsible for crewing, along with other Employer representatives as may be deemed necessary shall be at this meeting. If crewing concerns arise between quarterly meetings, either side may call a meeting by sending the other written notice. Within ten days of such notice a meeting must be scheduled to take place.

## ARTICLE VI

## **Discipline and Discharge**

a. The Employer maintains the right to make and modify reasonable work and conduct rules and require their observance. Employees may be disciplined up to and including suspension of duties and/or termination.

b. Whenever disciplinary action is taken, the Employer agrees to issue a “Notice of Termination” or a “Notice of Discipline” letter to the Union and affected Employee. The Union agrees that the issuance of “Notice of Termination” and/or “Notice of Discipline” letter is a management decision; however, no employee shall be disciplined or discharged without just cause. Before issuance of either letter referred to above, management will offer the employee the right to schedule a meeting. The employee may bring a Union Representative to such meeting which may be in-person or by telephone.

c. Employer may send a “Notice of Discipline Letter” to the Union for infraction of Employer’s rules including but not limited to:

1. Abusive or inappropriate behavior, including harassment;
2. Not working effectively with other crew members and/or client representatives;
3. Excessive cancellation (outside of stated policy in Article V.f.); and
4. Failing to arrive on time and ready for work.

d. Employees may be terminated by the Employer by sending a “Notice of Termination / Do not Dispatch Letter” to the Union for serious or repeated infractions of Employer’s rules including but not limited to the following:

1. Violation of Employer’s Drug and Alcohol Policy;
2. Violent or abusive behavior, including harassment;
3. Excessive tardiness;
4. Stealing or theft of any kind;
5. Willful destruction of property; *and*
6. Not performing work assigned.

e. Notwithstanding the provisions of this Article (VI), Employer may, at its sole but reasonable discretion, in certain exigent circumstance, terminate an employee and have him/her removed from the workplace immediately if Employer believes the employee’s continued presence at the worksite will have a significant detrimental on the work product or third parties, including but not limited to clients, event attendees, and other crew members. Employer will make every reasonable effort to give notice to Union of such circumstance either contemporaneous with or immediately following its decision.

## **ARTICLE VII** **No Discrimination**

The Employer and the IATSE agree that in applying the terms of this Agreement there will be no unlawful discrimination based upon race, color, religion, gender, sexual orientation, age, national origin, or other statutorily protected status. The Arbitration provisions of this Agreement shall not apply to this Section if an Employee has recourse via State or Federal agencies of competent jurisdiction.

**ARTICLE VIII**  
**No Strike, No Lock Out**

During the term of this Agreement, there shall be no strikes or picketing by the Union or Lockout of Employees by the Employer. It shall be understood by and between both parties to this Agreement that a lawful IATSE picket line, sanctioned by the International President, shall not constitute cause for discipline as defined by this Agreement.

**ARTICLE IX**  
**Stewards**

The Union may appoint one steward for each production. No steward shall be subject to penalty, discipline, layoff, or discharge for any act in the performance of his/her duties as steward and acting by the authority of the Union, provided they continue to perform their job responsibilities in an acceptable manner.

**ARTICLE X**  
**Access**

Representatives of the Union shall be permitted reasonable access to all sites where persons covered by this Agreement are performing services. The Employer is not responsible for restricted admittance policies, but will use its best efforts to assist Union Representatives with access difficulties.

**ARTICLE XI**  
**Grievance and Arbitration**

a. In the event that the IATSE or an employee covered by this Agreement contends that the Employer has violated a provision of this Agreement or the Employer contends that the IATSE or an employee has violated a provision of this Agreement, the following procedures shall be applicable:

1. Within twenty (20) business days of the time a party alleging a grievance knew (or reasonably should have known) of the event(s) giving rise to the grievance, such party must give written notice of such event(s) to the other party, but in no case more than three (3) months after the event(s) which gave rise to the alleged grievance occurred. To the extent grievances related to the timely and proper payments under the health and welfare plan may be grieved, this provision shall have no application assuming such grievances are not barred or preempted by the governing plan or federal law. The failure to submit a complaint within the time periods specified shall constitute a bar to further action thereon. The written grievance shall include the specific sections of the Agreement which are alleged to have been violated, the date(s) or approximate date(s) of the alleged violation(s), the facts on which the grievance is based, the name of the individuals aggrieved (if applicable), and the remedy sought.
2. A representative of the IATSE and a designated representative of the Employer shall, within ten (10) business days after service of written notice of the claim, meet and discuss the matter and attempt to effect a settlement of said controversy or dispute. Any agreement reached at this meeting shall be reduced to writing and shall be final and binding upon all parties.

3. In the event that such controversy or dispute is not settled by the Employer and the IATSE within twenty (20) business days after the written notice given pursuant to paragraph (1) above, or within ten (10) business days after the meeting referred to in paragraph (2) above, then such controversy or dispute resolution may be submitted to arbitration. The demand for arbitration must be made in writing, no later than forty (40) business days after written notice referred to in paragraph (1) above. Each party shall bear half the cost of the arbitrator's fees and expenses.
  4. The parties will attempt to establish a mutually agreeable panel of permanent arbitrator(s) for the duration of this Agreement. If the parties are unable to agree upon such arbitrator(s), the arbitrator shall be selected from a lot obtained from the Federal Mediation and Conciliation Service FMCS) or American Arbitration Association (AAA), by alternate striking of names, with the Union going first.
    - i. If the dispute requires a tripartite (three involved parties) or multi-party (more than three involved parties) arbitration (collectively "Multiple Party Arbitration"), as more fully discussed in subsection (f) of this Article, *below*, the labor rules of the applicable mediation or arbitration service shall govern, except that the arbitration shall be held within sixty (60) calendar days of the request to arbitrate.
- b.** The Arbitrator shall have no power to modify, add to, or subtract from the terms of this Agreement, but shall only determine whether the Agreement has been violated in the manner alleged in the grievance, and, if so, what the remedy should be within the meaning of the Agreement.
- c.** The Arbitrator may use past practices or understandings in interpreting, applying, or expressing terms of this Agreement, only insofar as such interpretation or application is not in conflict with any express terms, herein.
- d.** The decision of the Arbitrator, within the limits indicated above, shall be final and binding upon the grievant and all parties.
- e.** All time limits are subject to extension, but only by mutual written agreement.
- f.** The grievance and arbitration procedure is to be the sole and exclusive remedy for any alleged breach of this Agreement. Parties agree that any arbitrator shall be bound by the provisions of the Agreement.
- g.** Jurisdictional Disputes: The Company and the Union recognize that one or more unions (competing unions) with other collective bargaining agreements with the Company ("Competing CBA's") may now or in the future claim a jurisdictional dispute concerning the work performed pursuant to this Agreement. The terms in this Section (XI.e.) shall constitute an agreed-upon method for resolving such jurisdictional dispute(s) which may include, but are not limited to, dispute(s) between the Union, the Company, and competing unions arising either under this Agreement or Competing CBAs concerning which union's members should be assigned to a job and/or whether the Company has assigned work to a competing union in violation of this Agreement. Whereas the purposes of this Agreement would only be partially addressed by an arbitration not binding on all affected parties, the Union and the Company agree to use the Multiple Party Arbitration procedures set forth herein as their exclusive method of resolving jurisdictional disputes that arise under this Agreement or a Competing CBA.

1. Notice and deadline provisions specific to Multiple Party Arbitration of jurisdictional disputes and as follows:
  - i. The party asserting a jurisdictional dispute must provide written notice of same to the other party and competing union(s) within fourteen (14) calendar days after such party knew or reasonably should have known of the jurisdictional dispute and thereby request a meeting with the other party and competing union(s) to discuss possible resolution.
  - ii. If a resolution cannot be reached after the initial meeting, the Union, the Company, or the competing union(s) may submit the jurisdictional dispute to the FMCS or AAA, the results of which shall be final and binding on the Company, the Union, and any competing unions
2. In the event of a jurisdictional dispute in which the Competing CBA does not contain substantially similar provisions for Multiple Party Arbitration of jurisdictional disputes as set forth herein, the Company and the Union will attempt to meet and confer with the competing union(s) regarding notice, deadline(s), and other procedures necessary to resolve the jurisdictional dispute through Multiple Party Arbitration. If the parties are unable to reach such agreement, the Company and the Union agree to submit the jurisdictional dispute to arbitration pursuant to the arbitration provisions contained in this Agreement, with the intent that the jurisdictional dispute be resolved in a single Multiple Party Arbitration proceeding involving the Union, the Company, and the competing union(s), the results of which shall be final and binding on the Company, the Union, and any competing union(s).
3. Notwithstanding anything to the contrary herein, in the event of picketing or threat of picketing in a jurisdictional dispute, and only insofar as all unions involved in such dispute have agreed to this provision, as detailed in this Section or under comparative and substantively similar language in other relevant agreement(s), Employer and/or Union reserve the right to submit the dispute to the NLRB or appropriate court of competent jurisdiction for resolution.

## **ARTICLE XII**

### **Minimum Conditions**

- a. **Wages**: The minimum wage rates and wage increases shall be as outlined in “APPENDIX A.”
- b. **Work Day**: A regular work day shall be computed by totaling the number of hours between an employee’s report to work time (hereinafter “call time”) and the time the employee is dismissed by the management representative on site at the end of such work day, including meal periods. Employer will provide employee forty-eight (48) hours’ notice of his/her call time or as much notice as is reasonably possible.
- c. **10 Hour Minimum Call**: All employees shall be guaranteed at least ten (10) hours of paid time including nine (9) hours of work and a one hour paid meal period.
- d. **Work Week**: The workweek shall be Monday through midnight Sunday. The workweek and ending days may be amended from time to time at Employer’s discretion, as necessary to meet

any changes in Employer's payroll systems. The Union will be notified as soon as is practicable in advance of such change.

**e. Overtime:**

1. An employee's ten (10) hour minimum call will consist of nine (9) hours at the straight time rate, set forth in Appendix A of this Agreement, and one (1) hour at one and one-half (1.5) times his/her straight time rate. For any actual hours or fractions thereof worked in excess of ten (10) hours up to and through fourteen (14) elapsed hours in any one (1) work day (excluding meal period) and/or any actual hours worked in excess of forty (40) straight time hours in any one (1) work week, employees shall be compensated at one and one half (1 ½) times the straight time rate (hereinafter the "Overtime Rate").
2. An employee shall receive two (2.0) times his/her straight time (hereinafter the "Double-time Rate") for all actual hours or fractions thereof worked in excess of twelve (12) elapsed hours on any work day.

**f. Pyramiding:** It is specifically understood that there shall be no pyramiding of over-time pay made under any of the provision of this agreement.

**g. Double Header / Multiple Events:**

1. A regular Double Header will have a fourteen (14) hour minimum call with overtime being paid after nine (9) hours of actual work in accordance with the overtime provisions of this Agreement. Employer may use a second crew for the second game of a Double Header to avoid the 14-hour minimum call provision of this subsection (g.1.).
2. A Multiple Event in which the venue is cleared of fans/patrons between events and/or one that requires patrons to purchase two separate admissions, including a "day-night double header," and/or occurring in two (2) separate venues (e.g. baseball then hockey) shall be paid as two (2) 10-hour minimum calls. In such case, the overtime provisions after ten (10) hours in one (1) work day / event are specific to that single event; any time worked or paid in the first event shall not compound or be cumulative to a second or subsequent event.
3. A nutritionally balanced meal shall be provided for and delivered to those employees unable to take a meal break.
4. Employees will be notified at least one (1) week in advance regarding the existence of multiple events in a single day. Such employee will be given the option to decline without retribution.
5. If an employee has confirmed assignment for a Double-Header or single day Multiple Event, the employee shall not be replaced nor have his/her call time changed (unless otherwise prescribed/agreed to herein) to avoid payment of premiums or penalties.
6. The parties agree to meet and confer over any future "Match Play" or other tournament style work.

**h. Meal Periods:**

1. All meal periods shall be compensated and will be one (1) hour in length and not considered work time. The meal period shall be scheduled as near to the midpoint in the work day as possible and not more than six (6) hours after an employee's "in time" or return to work from a previous meal break.
2. In the event a crew member misses a meal break or incurs a substantially delayed meal break due to work, he/she will be compensated an additional hour at their Overtime Rate;

however, such additional hour shall not be considered actual work for the purpose(s) of triggering/calculating overtime pay detailed in subsection XII.e.1., *above*. “Substantial” here shall be defined as a delay of one-half (.5) hour or more; however frequent or consistent delays of less than thirty (30) minutes will be reviewed *via* impromptu labor-management meetings and may thereafter may be subject to the penalty compensation described in this Section (XII.h.2.).

3. If an employee works fourteen (14) elapsed hours, in addition to premium pay, a second one (1) hour meal break shall be due. If a second meal is not provided, the employee will be compensated an additional one hour at their Double-time rate; however, such additional hour shall not be considered actual work for the purpose(s) of triggering/calculating overtime pay detailed in subsection XII.e.1., *above*.
4. In the event the company elects to cater meals on site, such will be nutritionally balanced hot meals appropriate to the time of day. The Employer will make arrangements for food to be served in a comfortable space that is out of the weather.
5. In the event that the company does not elect to cater meals on site, where restaurant facilities are remote, crew members will be given an extended meal period for extra travel time reasonably incurred.

**i. Rest Periods:**

1. All technicians shall be granted at least two ten (10) minute breaks plus a meal break during a ten hour shift. The Employer will not unreasonably deny a relief break when necessary.
2. Employees shall be given ten (10) continuous hours off between the time of dismissal and reporting for the next day's work. This rule shall apply to employees traveling from one assignment to another, unless early travel is at the employee's request and later arrangements are available. If less than ten (10) hours in between calls are given, the Employer shall implement one of the following remedies:
  - A premium of one and one-half (1.5) times the employee's rate shall be paid for hours invading the ten (10) hour rest break;
  - Provide an adjusted call time. The adjusted call time will also count as the employee's “in time” for the day.

The 10-hour minimum rest period in this subsection (2), *immediately above*, shall not apply if the infringing call time is for work with a second/separate client or rights holder.

3. Employees that must travel after working hours shall be given adequate time and appropriate facilities to clean up before traveling whenever practical to do so.
4. Outdoor Events: Additional rest periods and/or relief personnel will be discussed and agreed upon, whenever practicable, in advance of crewing any outdoor event where extreme temperatures (heat or cold) and/or exposure to other severe weather elements (e.g. high winds, persistent and/or driving rain, etc.) are likely. In the absence of any specific agreement by the parties on staffing and/or relief breaks in such conditions, the parties will consult and abide by the relevant OSHA guidelines for same.

**j. Cancelled Calls:**

1. If the Employer cancels an assignment of a previously booked employee the Employee shall be compensated one-half (.5) of his/her day rate for less than seventy-two (72) hours' notice, and a full day rate for less than forty-eight (48) hours' notice. If the Employer offers (or finds a third party to offer) the employee another job during that same time period, no additional fee shall be due as long as the job compensation and

circumstances relating to that job are equal to the cancelled call.

2. In the event that operations are temporarily curtailed in whole or part, neither party shall be liable in damages for any delay or default in performing hereunder if such delay or default is caused by conditions beyond its control including, but not limited to Acts of God, strikes, wars, riots, pandemics, or events which frustrate the purpose of broadcast or make it impossible to continue operations.

**k. Employees Not Present at Call-time:**

1. An employee's paid time will begin at the scheduled work call, provided employee is present at the work site at that time; however, if an employee arrives at the work site after the scheduled work call, the minimum day rate for his/her 10-hour call may be reduced by the amount of time between the scheduled work call and the employee's actual arrival time (rounded to the nearest quarter (.25) hour).
2. If an employee is sufficiently late that a replacement crew person (another employee engaged to perform the late employee's job assignment) is brought in, the late employee will not be shown as present and no wage or compensation is owed. Application of this subsection (b.2.), including but not limited to thresholds for frequency and degree of lateness and communication between late employee and Employer/crew are subject to review and revision *via* labor-management meetings.

**l. Parking:**

1. Employees' actual parking costs to be reimbursed by Employer; however, not to exceed thirty dollars (\$30.00) per event.
2. Employer may pre-pay or pre-arrange parking at secure lots within reasonable distance from the venue. Employees shall provide notice to Employer of parking and all other reimbursable expenses within twenty-four (24) hours after the expense is incurred and original receipt must thereafter be provided to Employer within fourteen (14) days.

**ARTICLE XIII**

Christmas and New Year's holiday shall start on 6:00 p.m. the day preceding the holiday and end on midnight at the end of the actual holiday.

**b.** If an employee is engaged to work or travel on any of the holidays listed above, the employee will be compensated at the rate of one and one-half (1.5) times his/her applicable rate of pay for the daily guarantee and two (2) times his/her straight time hourly rate for all work time after the tenth (10th) elapsed hour (It is understood that the rate of one and one-half (1.5) times their applicable rate of pay will only be paid for all hours worked beyond 6pm on Christmas Eve or New Year's eve such that no premium pay is due for work performed prior to 6pm on those days).

**ARTICLE XIV**  
**Payment of Wages**

- a. Employer shall maintain a regular payroll period. Employees' checks are issued and mailed within 30 days following their work week. Employer acknowledges bargaining unit's preference for a direct deposit option and agrees to investigate and consider developing same.
